

Design by Arrmet Lab

Belle

Belle is a collection of upholstered seating designed for contract spaces. It is characterized by a curved and embracing backrest that hugs the sitter, while a double seat creates the distinctive detail of the seat's design. Completely upholstered, Belle can be customized to adapt to different environments – from social spaces to workspaces.

Belle è una collezione di sedute imbottite destinate agli spazi del contract. È caratterizzata da uno schienale curvo e avvolgente, che abbraccia chi vi si accomoda, mentre un doppio sedile crea il dettaglio distintivo del design della seduta. Completamente rivestita, Belle si personalizza nelle finiture e nei basamenti per adattarsi ai diversi ambienti – dai luoghi della convivialità a quelli di lavoro.

A product conceived for the contract sector must convey a sense of trust, equilibrium and tranquillity: the sensation – followed by experience – that the product is well made is key.

Un prodotto pensato per il settore contract deve comunicare fiducia, equilibrio, serenità: la sensazione – seguita dall’esperienza – che il prodotto sia fatto bene è fondamentale.

Our workshop lies at the heart of the company's design and planning. It's the place for ideas and conversations. It's where our designs are shaped and given substance, with the same wholesome curiosity we had at the beginning, sixty years of experience, the visionary powers of the designers, our love for our work and a close-knit team. Using these tools we continue along our path of manufacturing well-designed products for an international audience, using the skills of Italian craftsmanship, to welcome you into the office, public spaces and into your home.
