# Fondina

**Fondina chair and stool pay homage to natural beauty and traditional functionality. The clean, understated lines of these seats embody a timeless aesthetic that seamlessly complements various styles and environments. Crafted entirely from solid ash wood, Fondina can be stained or finished with an open-pore lacquer, offering the option to complete the seat with a fixed upholstered cushion. This complement not only enhances seating comfort but also allows for further customization of the chairs and stools' appearance and style, seamlessly integrating them into the design concept and promoting the creation of monochromatic or contrasting compositions.**

**Sedia e sgabello Fondina sono un tributo alla bellezza naturale e alla funzionalità tradizionale. Le linee sobrie e pulite di queste sedute incarnano un'estetica senza tempo che si sposa armoniosamente con tutti gli stili e gli ambienti. Fondina è interamente costruita in legno di frassino massello, tinto o laccato a poro aperto, con la possibilità di applicare un cuscino fisso tappezzato. Questo elemento non solo aggiunge comfort alla seduta, ma permette anche di personalizzare ulteriormente l'aspetto e lo stile delle sedie e degli sgabelli, integrandoli perfettamente con il concept di design e creando composizioni monocromatiche o in contrasto.**

**Assigning new value to a classic typology means the search of the “pure shape”, something you don’t get tired of, that lasts over the time, bordering on dejavù, then adding an original element to render it unique.**

**Assegnare un nuovo valore ad un classico significa ricercare la “forma pura”, qualcosa che non stanchi, che duri a lungo nel tempo, al limite del dejavù, aggiungendo con discrezione un elemento di originalità che lo rende unico.**
