Daybeds and Benches

The Geometric Collection celebrates the sublimity of pure geometry championed by the Wiener Werkstätte and the Bauhaus. The Geometric Daybed's seat deck is comprised of a wood frame with pegged slats engineered to allow for variable flex. The tubular steel base creates a continuous arc that holds leather cushions made of dual-density foam for comfort and support. Leather-upholstered cushioning is precision-crafted to fit securely and snugly within the tubular steel armature. Tufted cushions feature cross-angle seams that radiate from the tuft to align with the posts of the tubular steel structure, a gesture that highlights the design's overall geometry, linking back to the importance of linearity and architectural draftsmanship inherent in BassamFellows' work.

CB-457 Geometric Daybed

W 82", 208.5 cm
D 33 5/8", 88.5 cm
SH 13 1/8", 33.4 cm

Wood:
Solid Ash
Solid Oak
Solid Walnut

Finish:
Ebonized black lacquer on Ash or bleached, white pigment, matte acrylic on Ash. Raw effect lacquer on Oak. Hand rubbed natural oil on Oak or Walnut, or hand rubbed black oil on Walnut.

Base:
Satin nickel, satin brass, bronze, gunmetal, or custom metal nanoceramic coated tubular steel.

Seat Deck:
Solid wood seat deck with pegged solid wood slats.

Upholstery:
Foam with inverted seam and knife edge with double topstitch.
