Macka

Inspired by the Swedish game of kasta macka, in which stones are skimmed across the surface of water, the Macka collection has a smooth, round appearance. The armrests are designed to embrace the body in a comfortable way and the joining with the backrest is the key feature that creates a holistic expression that is light elegant. The flame-retardant, polyurethane foam elements are upholstered and assembled onto a painted steel frame featuring tilt-adjustable feet. Due to their welcoming appearance and limited size, the seats in the collection are ideal for use in restaurants and bars.

Ispirata al gioco svedese del “kasta macka”, in cui si fanno rimbalzare i sassi sulla superficie dell’acqua, la collezione Macka ha un aspetto rotondo e morbido. I braccioli sono progettati per abbracciare il corpo in modo confortevole e la congiunzione con lo schienale è la caratteristica fondamentale che crea un’espressione olistica di leggerezza ed eleganza. Gli elementi imbottiti, schiumati ignifughi sono tappezzati e assemblati su una struttura in acciaio verniciato con piedini regolabili snodati. Per il loro aspetto invitante e le dimensioni contenute, le sedute della collezione sono ideali nei luoghi della convivialità.

The perfect Macka is a stone that is thin with soft rounded edges and this became our inspiration for the Macka collection. The aim was to create a chair that looked like it had been shaped by the ocean for thousand of years.

Il perfetto “macka” è una pietra sottile dai bordi arrotondati e morbidi a cui ci siamo ispirati per progettare questa collezione. L’obiettivo era quello di creare una sedia che sembrasse essere stata modellata dall’oceano per migliaia di anni.
