

Design by Robby Cantarutti and Partners

Pocket

Pocket is the iconic and essential folding chair that embodies all the tradition, experience, and passion of Armet. The seat and backrest are available in polypropylene or painted plywood, while the frame is made of chromed or painted steel. In addition to folding into the smallest possible space, Pocket allows for optimal space utilization in any situation, including during transportation, with hooks and handling carts. The hinge, made of polypropylene loaded with fiberglass, is a unique closing system worldwide, thanks to which the chair, when closed, occupies only two centimeters

Pocket è l'iconica e essenziale sedia pieghevole che incarna tutta la tradizione, l'esperienza e la passione di Armet. Il sedile e lo schienale sono disponibili in polipropilene o in multistrato di legno verniciato, mentre la struttura è realizzata in acciaio cromato o verniciato. Oltre a occupare il minor spazio possibile quando è chiusa, Pocket consente di ottimizzare gli ingombri in qualsiasi situazione, compreso il trasporto, grazie ai ganci e ai carrelli per la movimentazione. La cerniera in polipropilene caricato con fibra di vetro rappresenta un sistema di chiusura unico al mondo, grazie al quale la sedia, una volta chiusa, occupa solo due centimetri.

Pocket-size, the name says it. Pocket is compact, functional and universal, it knows how to be stylish, fun or minimalist with a unique immediacy.

Tascabile, lo dice il nome. Pocket è compatta, funzionale e universale, sa essere elegante, divertente o minimale con una immediatezza unica.

Artistic couple active since 1995. Robby Cantarutti and Francesca Petricich work as designers giving shape to functional needs with a clear and simple language. Also active as structural architects and interior designer, their projects suggest a spontaneous dialogue with the environment, enriching and respecting the needs of contemporary living.
