

Hex 750 Pendant

Resident Studio | 2014

The Hex 750 Pendant is a member of Residents signature 'Geometric Family' that brings the beauty of mathematical precision into innovative and functional feature lighting into both the home and commercial environments.

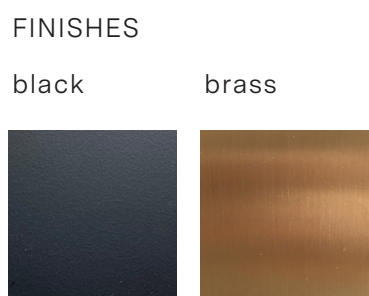

The pendant is suspended from discreet slim line wires, with a high quality LED light source that is elegantly diffused through recessed frosted acrylic.

Hex 750 works well as a single pendant, displayed in multiples or with other members of the geometric lighting family.
